Hospitality Room notes

I was in and out each day and the room was busy most of the time. A **BIG THANK YOU** to Tony and Monica Peterson, plus the ladies who assisted in keeping the plates stocked. **GREAT JOB!!!**

I would like to offer a special thank you to all of the Sir Knights, Ladies, Commanderies, and Drill Teams that donated food, drinks and money to help run the Hospitality Room for Triennial this past week. I also want to thank all the volunteers that came to help prepare food, make drinks, carry boxes, etc. I had several comments that the visitors enjoyed themselves, and they felt very welcomed. I think, with all your help, we were able to show our version of "Hoosier Hospitality". Thank you, Monica Peterson

Sickness & Distress:

Wayne Sheet, GPE is now battling Cancer and the Chemo treatments are doing the usual, which is to wear the person out and making them ill while hopefully making them better.

Nina Olvey, wife of PGC & currently GHP Donald Oley: 8/24/2018 Nina having a hard time with the surgery. Her oral surgery was a bone graft in her left jaw (for implants) and a sinus lift (whatever that is) **8/27/2018** Had her back to DR yesterday and she is still suffering. Both eyes are blacked also some on one side of her face.

8/29/2018 Nina has an infection where the bone graft/tooth implants were done in her jaw.

She is in surgery now. Surgeon is going to determine the cause and take care of that and trying to save the implants.

So, she is down for longer than expected and I'm at the eye guy to get shots and an update. Not sure shots are doing what they are supposed to be doing.

From PGC Don Olvey and currently GHP.

Nina was in surgery for about 45 minutes this morning. Then recovery and then home. Got to Dr at 9:00 left at 12:00.

8/29/18 The bone graft was causing severe infection, so he removed the graft, cleaned out infection in jaw and sinuous. Back on all the post op restrictions and meds. He will see her again 9/04

8/30/18 She had a good night and is feeling better this time around.

Now if I can keep her from think she is back to normal for a couple of days and give meds time to get rid of all the infection. I'm very happy at this point.

Margaret Cole widow of PGC Paul Cole, was in the hospital the first week of August with pulmonary embolism in each lung, she had to spend some time in a Rehab facility. She is now home and doing much better.

Adam Jackson, KCT, GPE, continues to have heart issues and is not able to go a lot.

Mike Smith, PMIGM, I talked to Mike at the Grand Master's Reception and he said he is great now but, was ready to send for one of our Bothers who is a funeral director last month.

Indiana Deaths:

Charles 'Chuck' Sebring

June 6, 1981 - August 22, 2018

Former Vincennes City Councilman Charles Stodghill "Chuck" Sebring, 37, Vincennes, died early Wednesday at his home.

He was a lover of his wife and daughter, his parents and stepparents, his dog, Hailey, and his cats, Jack and Ghost; his God, his country and of learning.

He had a kind and tender heart and would help anyone in need. His tender heart could be hurt easily, but he was strong in spirit. He grew up with a legacy of duty to his fellow man, not only from his parents, but also from his grandparents, Charles and Dodie Stodghill, and Paul and Louise Sebring.

He was a lover of the Alices, bleeding green since birth, and a follower of Western Kentucky University and Ohio State University football. He also loved the writings of Hunter S. Thompson, using them as a road map for his life.

Sebring served one term on the council, 2012-2016. As grandson and namesake of a retired police officer, he was particularly proud of having chaired the council's Public Safety Committee. He was a member of St. James Episcopal Church, and worked as an emergency response officer for Securitas security services at Toyota Motor Manufacturing Indiana.

He was a past master of Vincennes Lodge No. 1, Free and Accepted Masons. A fourth-generation Mason, he earlier was a member of the Vincennes York Rite bodies and of Hadi Shriners of Evansville. He had been a Boy Scout scoutmaster, was, at age 12 ½, one of the youngest Eagle Scouts in Indiana history, was a member of the Order of the Arrow, Scouting's national honor society and received its highest recognition, the Vigil Honor, and received the Daniel Carter Beard Masonic Scouter Award from the Masonic Grand Lodge of Indiana for his work with Boy Scouting. Some of the favorite events of his life were Literacy Quiz Bowl trivia competitions, and he was a member of two winning teams in Vincennes and one in Linton.

Sebring was a 1999 graduate of Lincoln High School where he lettered in wrestling, announced baseball and women's basketball, was equipment manager for the baseball and football teams and served as manager of Indiana's South All-Star Football Team. That experience cinched him a position as head manager of the Western Kentucky University football team, for which he was commissioned a Kentucky Colonel. But growing up as the son of a journalist, Chuck had printer's ink in his veins. He transferred to Vincennes University, earning an associate's degree in printing technology and also announced men's basketball games, then earned a bachelor's degree in industrial technology management from Indiana State University. For a few years he got to run the printing press at the Sun-Commercial with which he had fallen in love at age 5. He later printed and helped train students of printing technology at VU, then became site supervisor in document control throughout the construction of the Duke Energy Edwardsport Power Plant, making sure contractors had the most recent

updates of construction blueprints in their hands. In the meantime, he earned emergency medical technician credentials from VU, and numerous advanced firefighter certifications while with the Vincennes Township Volunteer Fire Department, which ultimately led to his position at the Toyota plant.

Born June 6, 1981, in Vincennes, he was the son of Edward L. and Jo Ellen Stodghill Sebring. He married Jennifer (Christian) Sebring July 13, 2013.

Survivors include his wife of Vincennes, his daughter, Lydia Richey, his mother and stepfather, Jo Ellen and Earle Keller of Vincennes, his father and stepmother, Edward L. Sebring and Cindy Rider of Terre Haute.

His grandparents, Paul and Louise Sebring and Charles and Edith Jo "Dodie" Stodghill, are deceased.

The funeral will be at 10:30 am Tuesday August 28, 2018 at Goodwin Funeral Home, Rector Dennis Latta officiating. Burial will be in Memorial Park Cemetery.

Visitation will be 4-8 pm Monday at the Goodwin Family Funeral Home with a Masonic memorial service at 7:30pm. Goodwin Funeral Home is honored to assist the Sebring family.

Tracy was an Eagle Scout, earning every merit badge available; the Silver Beaver, and an Honor Vigil in the Order of the Arrow.

In his later years he took an avid interest in the Freemasons and was raised to the degree of a Master Mason May 27, 2015. In the Scottish Rite Valley of South Bend he was a High Priest of Jerusalem. At the time of his death, was the Worshipful Master of the M.L. McClelland Masonic Lodge #357 in Hobart, IN.

Tracy was an extrovert who loved to travel and meet new people. He had the ability to talk to anyone and know them within minutes. Tracy was an "IndyCar" enthusiast, and an avid bird watcher who found joy sitting on his porch enjoying his feathered friends.

He is survived by his partner: Kevin Swanson; two brothers: Paul (Sally), Chuck (Diane); one sister: Patti; as well as six nieces and nephews; nine great nieces and nephews; his lifetime friends: the Horan Family; and countless friends.
