Sickness & Distress:

Phoenix Bridegroom:

Update 5/15: Hello Friends! Phoenix was seen at Riley Hospital today for a routine check up, and she continues to amaze us all with her progress. Her blood counts remain in the perfect range, her chemistries are normal, and she gained a pound this week. (Yayyyyyyy!) Now that her G.I. system seems to be healed (no more nausea, vomiting, diarrhea, and able to eat & drink), she is able to have her central line removed. So...we have plans to go back to Indy in 2 weeks for surgery! Phoenix is absolutely thrilled because she has not been able to take a real bath or shower in nearly 4 months, and she hates having her dressing changed every week. She says that once the line is out, she will feel like a regular kid. She has no idea that she is so MUCH MORE than regular, but we all know what she means. Thank you all for the thoughts and prayers that have gotten us this far! God bless.

"We know we were made for so much more than ordinary lives. It's time for us to more than just survive. We were made to thrive." -Casting Crowns

Dennis Schraeder: In case you have not heard, Dennis Schraeder was in a motorcycle accident last night. He is ok and is now home resting. He suffered a broken wrist and some stitches in his head. Needless to say he will not be at the Ascension program Thursday. Ken Roy has graciously agreed to fill in as Commander. I am sure Dennis would appreciate prayers as he recovers. Fraternally, Keith

Donald Borchert, GPE: Don update: Surgeon today said everything looks good and is where it should be. Start out-patient therapy next week. Don will see the infectious disease Doctor next Tuesday. We are keeping our fingers and toes crossed! Mickey

Darrell E. Morris Brothers all, Darrell has been hospitalized for about a week due to his blood chemistry. The chemotherapy caused his blood sugar to get dangerously low, and it took over a week for the doctors to get a handle on that. He is also unable to swallow as a result of the radiation burning his throat. This is so severe that he is being fed through a tube going into his stomach. Yesterday, Darrell was moved to a care facility for rehab. As long as he is on a feeding tube, there is a danger of infection, and in his weakened state, that would be a problem. No one is permitted to visit him with cold symptoms, because his resistance is so low. When the throat burning subsides (he has only a couple of more radiation treatments) he should be able to swallow again. Presently he is unable to have even water! His address, *for the cards I'm sure you will want to send him is:* Darrell E. Morris, Room 504, Kindred Rehab at Wildwood, 7301 E 16th St, Indianapolis, IN 46218. The phone number there is: 353-1290. Darrell is having a difficult time speaking. If you call, *I would suggest you keep your conversation short.* Let's all keep Darrell in our prayers. His future is very *uncertain.* John D. CC: Donna Cofer - Good Cheer Committee

Luke Whitehouse and Ron Yesterday: Here is the update on Luke Whitehouse and Ron. Yesterday, Luke was playing Corn Hole and became very hot and light headed Ron and another fellow were walking him back to the hotel when Colleen and I checked him over. After talking with Luke and his condition not improving, with his approval I call for a Medic Ambulance at the time he was sweating profusely, skin was white/then ashen, pinpoint eyes and complaining of chest pains. The Medic personnel transported Luke to Columbus Regional Hospital about 6 pm. He is now hospitalized for at least two days as the doctors try to get his heart rhythm back to a normal rhythm. They did shock him en route to the hospital it was an effort to get his heart in a normal rhythm. At the present time they are using medication only to get him back to normal. Then approximately 1:45 am Ron & Sally were arriving at their hotel room when Ron fell hitting his head on either the steps or the hard surface of the floor rupturing a blood vessel. He lost a lot blood so they transported him to Methodist Hospital via Helicopter. There he received blood and was operated on to close the head wound (Stitches) and

was placed in the ICU Ward in a medical induced coma until he began to recover. This morning they brought him out of the coma, but he is pretty banged up. He is still in critical condition but stable. Sally stated they had to give him several units of blood so he is still in ICU at Methodist. Colleen and I went to see him today, but he can't speak and needs his rest. I explained we are all praying for him and I gave him an update on Luke.

Indiana Deaths:

Kenneth D. Englehart: It is my great sorrow to notify you that our Brother and Past Master, Kenneth D. Englehart has died. Ken was born on June 29, 1935 and was raised to the sublime degree of a Master Mason on April 2, 1975. He served as our Worshipful Master for the year of 1982. Our Brother died on May 11, 2015. A Masonic Memorial Service will be presented on May 14, 2015 at 7:00 PM at the Hahn Funeral Home, 505 W. 8th St., Mishawaka, IN 46544. I would ask that all those who will participate in the service arrive at 6:45 PM to hear the reading of the Masonic Record of our Brother and prepare for the processional. Visitation for the evening will be from 3:00 PM to 8:00 PM. Fraternaly, William R. Gray PM, Worshipful Master of Mishawaka Lodge # 130, F&AM

WB Steve Thais, in his first year as secretary of Vincennes Lodge No. 1 and secretary-recorder of the Vincennes York Rite bodies, died in an apparent tree-trimming accident Wednesday on his farm just north of Vincennes. A Democrat, Thais was a long-time member of the Knox County Council and had run unsuccessfully for the Indiana State Senate. The Knox County Sheriff's Department is investigating the accident and all arrangements are pending. Edward L. Sebring

September 18-20, 2015:

The Masonic Society, the Masonic Library and Museum Association, and the Masonic Information Center are pleased to announce that Phase II of The Quarry Project will be held September 18-20, 2015 in Indianapolis, IN. The conference will be held in a downtown Indianapolis hotel to be determined within a few weeks. The Quarry Project is a continuing effort designed to promote Masonic research and preservation by providing instruction and guidance to Masonic writers, researchers, and editors both within and without the fraternity and also to Masonic librarians and museum curators on the display, preservation, and cataloging of Masonic archives. Phase II will feature a third track on Masonic public relations sponsored by the Masonic Information Center, an arm of the Masonic Service Association. The format for Phase II will remain basically the same with a few tweaks based on feedback from Phase I attendees. Friday, Saturday, and Sunday will begin with a general session featuring a keynote speaker. Attendees will then break out to the instructional sessions of their choice on Friday and Saturday with both days adjourning at approximately 5:00 P.M. Lunch on Friday and Saturday will be included in the registration fee. A banquet will be held on Saturday evening. Sunday will feature a roundtable discussion immediately after the morning keynote address and the conference will adjourn by noon.

We invite anyone, Freemason or not, with an interest in these topics to attend the conference. The programs are currently being developed and will be made available as soon as they are complete. Further information will be released as it becomes available. Registration will begin on March 1, 2015. The Quarry Project website is www.thequarryproject.com. In conjunction with The Quarry Project, The Masonic Library and Museum Association will hold their annual meeting prior to this event on Thursday, September 17. Please contact

- To Members of the SRICF, since the recent release of the Program for Masonic Week, we have received a number of inquiries about the plans of the Societas Rosicruciana in Civitatibus Foederatis. After several years of discussions, among the Officers and Chief Adepts, it has been decided that our Annual Meeting would be more centrally located and at a time less susceptible to inclement weather. The High Council will meet on November 7, 2015 at the Brown Hotel in Louisville, KY. The RSKO (Royal Society of Knights Occidental) will have their annual Convivial, the night before on November 6, 2015 at the same location. Room rates will be \$129.00 with special parking rates, and free shuttle service to and from the airport. Check out the Brown Hotel at www.brownhotel.com. Those of you who miss the elegance of the Hotel Washington are going to love this Hotel. Reservations may be
